OUR OBJECTIVES

To raise awareness of Member Charities' children in needs with different types of developmental disabilities, physical impairments, and the socially disadvantaged

To support and assist Member Charities' initiatives and strategies to educate, train and prepare the children to lead dignified lives, function independently, and integrate into society

To organise and coordinate activities to benefit Member Charities

OUR HERITAGE

The Children's Charities Association of Singapore (CCA) began as an unstructured group of charities benefitting children. The charities got together to organise joint fundraising projects in the 1960s.

The success of the first Christmas Fair organised in 1965 at the Victoria Memorial Hall drove home the need for a formal organisation.

In 1966, the Association was inaugurated through the untiring efforts of the late Mr. Francis Thomas who became the founding Chairman. It was subsequently registered by the Registrar of Societies and granted the status of an Institution of Public Character in 1972.

We are the co-ordinating body purposed to raise awareness of the needs of member charities, and organise fundraising projects for member charities, which have the common objective of helping physically, mentally and socially disadvantaged children of Singapore.

The original four member charities are:

Singapore Children's Society

The Singapore Association for the Deaf

Cerebral Palsy Alliance Singapore

Movement for the Intellectually Disabled of Singapore

St. Andrew's Mission Hospital became the fifth member charity to join CCA in 1971.

The sixth member charity to join CCA in 1977 is **Association for Persons with Special Needs**.

Our efforts are not only directed at alleviating the disablement of children but also at giving them hope for the future.

Our member charities are single minded in their efforts to educate, train and assist the children under their care to become independent and useful citizens who can play their role in the nation.

CHAIRMAN'S REPORT

On behalf of the Board of Directors I present the report for financial year 2018/19 which ended on 30 April 2019.

The Children's Charities Association of Singapore (CCA) was the getting together of member charities catering to the needs of disadvantaged and special needs children in 1966. They pooled their resources in a joint annual Fair to raise funds for its members.

In keeping with traditions CCA organised four major fund raising events in the last fiscal year namely a donation draw, 2 flag days, the Hong Bao appeal and the Christmas Fair cum Walkathon. Income from these activities and other donations came in at \$816,811 which registered a drop of 15% from the previous year's takings of \$965,958. The uncertain business environment is one reason for a scale back in corporate donations. The Board is aware of the challenges CCA faces and is exploring other options.

As a first step, CCA's website has been updated. Mr Eric Tseng, our Board member will coordinate efforts to improve the website with more impactful messages.

A total of \$666,910 was distributed to the six charities at a cheque presentation ceremony held at APSN Chaoyang School in October 2018 with Dr Vasoo as the Guest of Honour. The Board has decided that from 2019, the cheque presentation will be held in conjunction with the annual Fair and Walkathon.

Apart from organising fund raising events, CCA is constantly engaged in promoting awareness and advocating for a more inclusive society. It seeks to showcase the abilities and talents of its beneficiaries by working with partners such as Extra. Ordinary People which stages inclusive concerts involving our beneficiaries and non-disabled children. We support schools to hold events where our children can participate with mainstream students. Nanyang Polytechnic has offered to hold workshops and mentoring activities to open up opportunities for interaction with their students.

In closing I would like to thank Board members for their invaluable contributions and support and staff for their hard work. Special thanks go to Arasi who chaired the Donation Draw, Jeffrey Tan for taking charge of the Flag Day, and Low Teck Meng and Roderick Tan and their team for organising the Fair and Walkathon. We are grateful to our Patron Mr Mohamed Abdullah Alhabshee and his band the 1st Fusion who livened up the 2018 Fair with their classy performance.

HIGHLIGHTS OF 2018

- To thank the 1,703 companies and individuals who participated in the 1000 Enterprises for Children-in-Need (1000E) and 1000 Philanthropists (1000P) programmes, the Society held an appreciation dinner on 16 March at the Fairmont Singapore. Deputy Prime Minister Mr Teo Chee Hean, who is also Coordinating Minister for National Security and Patron of the programmes was the Guest-of-Honour. Mr Chew Ghim Bok was appointed as the newest 1000E and 1000P ambassador that evening.
- Our youth from VOX @ Children's Society showcased their interest groups and prepared their signature dishes for residents in the Chai Chee area at the third run of VOX Fiesta on 17 March. Organised by the youth, they learnt to give back to the community through the event, which also included a photo exhibition and game booth to engage the children. Mr Tan Chuan-Jin, Speaker of Parliament, graced the event as Guest-of-Honour. Mr Tan officiated the Centre's launch in 2015 when he was then the Minister for Social and Family Development.
- Staff members and the Society's Executive Committee members convened at the Singapore Pools Building on 24 March for the Society's Strategic Townhall Meeting, where they engaged Chairman Mr Koh Choon Hui and the senior management team on the future direction of Children's Society.
- The Singapore Children's Society Awards took place on 12 June at Pan Pacific Singapore. Mr Desmond Lee, Minister for Social and Family Development, and Second Minister for National Development was the Guest-of-Honour. A total of 47 donors and volunteers were recognised for their contributions.
- A rebranding exercise conducted in July has seen the Children's Society's various facilities come together with

a more distinct identity, including through the addition of '@ Children's Society' to the names of all our service centres. The former Student Service Hub (Bukit Merah) is now called Student Service @ Children's Society, and has moved to the fifth storey of Radin Mas Community Club. The Society has also soft-launched a new youth drop-in centre at the same community club, called The Fort @ Children's Society, bringing the total number of service centres the Society has to 12.

- RoundBox @ Children's Society held its annual charity fitness event – The Mettle Challenge 2018 – on 21 July at Singapore Sports Hub. The Challenge aims to encourage our beneficiaries to challenge their fitness limits while raising funds for the Society. Guest-of-Honour was Mr Baey Yam Keng, Senior Parliament Secretary for Ministry of Culture, Community and Youth, and Ministry of Transport.
- Minister for Social and Family Development Mr Desmond Lee visited Sunbeam Place @ Children's Society on 27 July to meet our social service practitioners and residents to better understand our work at the centre and discuss how the sector can co-ordinate to improve on service delivery.
- About 3,000 participants joined in the Society's annual fundraising event Walk for Our Children 2018, held on 9 September at Bishan-Ang Mo Kio Park. Guest-of-Honour Mr Heng Swee Keat, Minister for Finance launched the 3km Safari-themed walkathon.
- Assoc Prof Teo You Yenn, Head of Sociology at Nanyang Technological

University, took the podium at the Singapore Chinese Cultural Centre on 15 September. She delivered a lecture titled 'Growing up in an Unequal Society' before an audience of 472.

- Over 200 children and their families, along with members of the community in Bedok, celebrated Children Service @ Children's Society's 10th anniversary and Children's Day on 5 October. The children from Student Care @ Children's Society, JYC @ Children's Society and Yishun Family Service @ Children's Society joined the children from Children Service @ Children's Society in the celebrations. Themed 'Promoting Children's Well-Being', the event saw our children receiving doses of happiness through fun and games.
- In appreciation of the Society's volunteers' hard work and dedication, they were treated to a sumptuous buffet brunch followed by a screening of 'First Man' at Golden Village Grand, Great World City on 13 October.
- The Society was awarded the Charity Transparency Awards 2018 on 29 November by the Charity Council for our transparency and disclosure efforts.
- To streamline programmes and services to schools, corporate and community partners, Children Service @ Children's Society and TWP @ Children's Society were strategically merged to form Community Services & Programmes @ Children's Society, which will continue to provide programmes that focus on social-emotional learning, anger management and inculcation of moral values to build a gracious society.

THE SINGAPORE ASSOCIATION FOR THE DEAF

The Singapore Association for the Deaf (SADeaf) has been serving the Deaf and Hard-of-hearing community in Singapore for the past sixty years. Established in 1955, it now serves more than 5,500 Deaf and Hard-of-hearing persons and provides a gamut of services such as sign language interpretation, note-taking, Deaf awareness workshops, employment support, counselling and financial assistance, and recreational activities.

SADeaf is a member of the National Council of Social Service (NCSS), and also supported by Community Chest of Singapore, Ministry of Social and Family Development (MSF) and Ministry of Education (MOE). The association is also affiliated internationally, to the World Federation of the Deaf (WFD) and, locally, to The Children's Charities Association of Singapore (CCA).

SADeaf's mission is to assist the Deaf and Hard-of-hearing to achieve a better quality of life and to enable them to integrate and contribute to society.

AFFILIATED SCHOOL:

Mountbatten Vocational School (MVS)

The school is an ITE Approved Training Center which caters to students with special needs from the ages of 16 to 21. MVS offers a two-year ITE Skills Certificate

programme in Food and Beverage Service, Food Preparation, and Housekeeping Operations. In 2018, the school collaborated with NTU, SMU, the Singapore Fashion Runway and other organisations to provide a host of meaningful programmes and activities for the students.

Educational Resource

In addition, SADeaf provides Specialised Teachers and Resource Teachers to the Mayflower Primary School and Beatty Secondary School respectively to support the Deaf and Hard-of-hearing students in the mainstream school. The association has also started a communication and language programme for children with Hearing Loss below seven years old (Little Hands Bilingual-Bicultural Programme).

MOVEMENT FOR THE INTELLECTUALLY DISABLED OF SINGAPORE (MINDS)

MINDS is one of Singapore's oldest and largest social service organization, founded in 1962 by a group of philanthropists who believed in developing the potential of persons with intellectual disability.

Serving persons with moderate to severe intellectual disability with services across their different life stages, Minds runs 4 Special Education School, 3 Employment Development Centres and 8 Training and Development Centres. MINDS also has a Me Too! Club reaching out to socially isolated persons with intellectual disability, a Caregivers Support Services Centre, Home-Based Care Services and a residential home comprising a Home, a Hostel/ Group Home and a Children's Wing.

MINDS Children's Wing – Singapore's First Home for Children with Intellectual Disability

Children's Wing at Mindsville @ Napiri is Singapore's first home set up solely for children with intellectual disability from 6 to 18 years old.

The children at Children's Wing are typically from needy or/ and single-parent families who are unable to provide them with adequate care.

CCA's funding and support goes to Children's Wing, a home which aims to promote and prepare children with intellectual disability to re-integrate back into their families.

Providing a Better Learning Environment for the Children

Early intervention is crucial for children with special needs. Every child is assessed after their admission and an individual care plan (ICP) is then carefully drawn up and implemented, including some family interventions.

ICP mainly addresses the needs of the child, rather than their family issues.

ICP helps to spell out the needs of the child, so we can work with them to guide them on things they need to improve on to better their ADL skills, Social Skill etc.

Although ICP is client-focused, family cooperation is needed so that the intervention and training will be continual and consistent when they bring their child back for home leaves. The ICP is reviewed every three months to ensure the interventions are appropriate and have targeted outcomes that will effectively benefit the children.

Children's Wing provides a variety of activities for the children. The activities provided are aimed at creating a stimulating and meaningful learning environment for them. Activities within the structured programs include music & movement, art and craft, experimental science, housecraft, home management skills training, show and tell programs, community and traveling lessons, computer time, circle time, and the Snozelen Room Program.

The Snozelen Room is a room that utilizes multi-sensory equipment in order to enhance the sensory abilities of the children and broaden their learning spectrum. These equipment help to stimulate their senses to create a relaxing environment for them. This Snozelen Room Program is targeted towards a group of identified children that require the sensory

training. Children at Children's Wing also receive counseling and behavior modification services to improve their social abilities and teach them how to express their emotions better.

Family Programs

Families of children from Children's Wing meet the staff once every six months during the Children's Wing Parents' Gathering. This gathering aims to support families in understanding their children's needs, and in maintaining the bonds between them and their children. It is an avenue for families to receive updates from the staff and share any concerns they might have. New measures are also implemented to improve family ties and parenting capacity.

Through discussion with other families and professional staff, they gain new insights on how they can boost their parenting abilities. The families will then be involved in a series of fun family bonding activities.

Families are also encouraged to attend the MINDS' Caregiver Support Initiative programmes and MINDS Siblings Team activities as a platform to meet and mutually support one another.

ST. ANDREW'S MISSION HOSPITAL

St. Andrew's Mission Hospital (SAMH)

In 2018, St. Andrew's Mission Hospital (SAMH) remained faithful in meeting the needs of underserved and disadvantaged children through St. Andrew's Autism Centre and St. Andrew's Community Hospital.

St. Andrew's Autism Centre (SAAC)

SAAC scaled up its growth in 2018, as the school enrolment continued to increase, and the centre prepared to begin operating St. Andrew's Adult Home (Sengkang) [SAAH] in 2019. School enrolment increased by 14.8%, from 216 students in 2017 to 248 students in 2018. SAAC's total staff strength increased by 20.3%, from 182 in 2017 to 219 by the end of 2018. In addition to hiring staff to maintain an optimum teacher/coach-to-student/client ratio, eight local staff joined SAAH. SAAC's total population of students, clients and staff, grew from 484 at the end of December 2017 to 556 at the end of December 2018 – an increase of 14.8%.

Update on St. Andrew's Autism School (SAAS)

SAAS continued to grow in terms of enrolment and staff strength in 2018, and also in terms of collaboration and participation beyond the school campus. SAAS established a satellite partnership with Anglican High School to work together to provide planned, purposeful and appropriate social integration opportunities for students from both schools to interact, learn and play together.

Key SAAS Milestones

- 14-year-old Jovan Tan received the Lee Kuan Yew Exemplary Student Award.
- SAAS participated for the first time in the Singapore Youth Festival. A group of 10 students, aged eight to 16, joined 11 students from Boon Lay Secondary

Students from St. Andrew's Autism School overcame initial awkwardness and communication challenges to present a dance improvisation piece entitled "Connectivity", with students from Boon Lay Secondary School, at the Singapore Youth Festival 2018 at Esplanade - Theatres on the Bay.

School to present a modern dance performance. Channel News Asia featured the collaboration through "Best foot forward: How a simple dance changed these students with autism".

- Track Head Caroline Tan received the MOE-NCSS Outstanding SPED Teacher Award.
- An artwork by 10-year-old student Ashley Marie Nonis was chosen as one of the designs featured on Singapore's National Day Parade fun pack.

St. Andrew's Community Hospital (SACH)

SACH's Paediatric Inpatient Rehabilitation Service is in its twelfth year of providing post-acute, rehabilitative and long-term care to children, including those with special needs. The hospital continued its person-centred paediatric care programme, providing customised physiotherapy, occupational therapy, speech and music therapy to these children. SACH also enrolled long-staying child patients to attend special schools so that they may receive appropriate academic enrichment.

SACH Paediatric patients with care team members and volunteers at an outing to Eastpoint Mall, where the children were exposed to experiences outside the hospital setting, such as road safety rules and dining in public places.

In 2018, the SACH Paediatric Care Team together with volunteers organised outings for the child patients which include neighbourhood mall, Eastpoint Mall and the Singapore Expo, and places of interest, namely the Singapore Zoo and Botanical Gardens to enrich their lives with experiences outside the hospital setting. The outings provide opportunities for the children to learn about road safety rules, acceptable social behaviour on public transport, and simple dining etiquette at public food courts. Apart from these learning objectives, the children also get to socialize with volunteers.

ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS

Established in 1976, Association for Persons with Special Needs (APSN) is a social service organisation providing special education for persons with mild intellectual disability (IQ 50-70). Today, APSN operates four Special Education (SPED) Schools (APSN Chaoyang School, APSN Katong School, APSN Tanglin School and APSN Delta Senior School) for students aged 7 to 21, an APSN Student Care Centre for children aged 7 to 18 and an APSN Centre for Adults for persons aged 16 and older, benefiting over 1,200 beneficiaries each year.

The APSN Schools and Centre adopt a holistic approach in its curriculum, comprising academic, vocational and social skills which are important for open employment and lifelong learning. APSN seeks to enable persons with special needs to be active contributors of the society and is committed to inspire and build capabilities of its partners and community to lead and advocate an inclusive society.

To date, APSN's growing database has around 3,700 alumni members. The Association is constantly expanding its network to reach out to and understand the needs of its members to better support them.

For information on APSN, please visit www.apsn.org.sg

Reimagine What We Can Do

As a premier special education school in Singapore, APSN is challenging mindsets on what people with special needs can do. Our students with mild intellectual disability undergo academic and vocational training to prepare them to be independent and competent in the working world. Many of them are thriving as hotel, F&B and retail staff, teacher aides, chefs, horticulturists, and Special Olympians. The staffs supporting our beneficiaries are innovative in bringing out the best in their charges, using technology and partnering firms to boost learning outcomes.

This progress is only possible with the generous, consistent support of our donors, volunteers, caregivers, partners and government entities. Together, we can do more.

APSN Centre for Adults

APSN trainees aged 16 and above can enrol into APSN Centre for Adults' (CFA) full-time vocational programme. These trainees would have to pass a one-month trial and work assessment by the Centre. Trainees will experience a 4-phased vocational training programme, and they are assessed on milestones – not a period-based curriculum.

Phase 1 – Training Programme

Trainees typically start from Phase 1, and are given a taster of each industry training which the Centre provides. They rotate between the different areas of learning basic kitchen skills, cashiering, service, work ethics, cleaning, retail, gardening and more.

Phase 2 – Sheltered Enterprise Programme

As they progress to phase 2, they begin to specialise in a selected sheltered enterprise. This is where they decide their career path, and focus their skills in areas such as culinary, baking, grilling, coffee preparation, chocolate making, building & facilities maintenance, contract work services. Lessons are taught in a licensed, simulated environment with tools and industry-relevant equipment. This provides realistic on-the-job training to bridge the path between their training and employment.

Phase 3 – Supported Employment

During the programme, trainees assessed to be ready for open employment would be matched with a trained employer. In this phase, trainees would undergo a job trial with an employer partner. Once trainees are assessed to be competent by employers, our Job Coaches will assist to moderate and negotiate their employment contract and salary according to their skills and abilities with the trainees and caregivers.

To further assist individuals who are offered employment to sustain their job, our Job Coaches at APSN CFA

continue to provide support for at least another 12 months not limiting to job support, employer training, counselling etc.

Phase 4 – Open Employment / APSN Alumni Services

When the 12 months of job support by School or Centre is completed or, in the event the trainee/student transits out of the School/Centre, the School/Centre will continue to render support to its alumni through social recreational activities. There will be provision and access to counselling and other professional services, including psychological services, occupational therapy and more to help alumni and their families cope with the potential challenges faced.

To be more relevant and to enhance their employability, APSN CFA also emphasises technical training, leveraging on existing courses available, e.g. SHATEC courses for catering. APSN CFA's operational costs are mostly funded via public donations.
