OUR OBJECTIVES

To raise awareness of Member Charities' children in needs with different types of developmental disabilities, physical impairments, and the socially disadvantaged.

To support and assist Member Charities' initiatives and strategies to educate, train and prepare the children to lead dignified lives, function independently, and integrate into society.

To organise and coordinate activities to benefit Member Charities.

OUR HERITAGE

The Children's Charities Association of Singapore (CCA) began as an unstructured group of charities benefitting children. The charities got together to organise joint fundraising projects in the 1960s.

The success of the first Christmas Fair organised in 1965 at the Victoria Memorial Hall drove home the need for a formal organisation.

In 1966, the Association was inaugurated through the untiring efforts of the late Mr. Francis Thomas who became the founding Chairman. It was subsequently registered by the Registrar of Societies and granted the status of an Institution of Public Character in 1972.

We are the co-ordinating body purposed to raise awareness of the needs of member charities, and organise fundraising projects for member charities, which have the common objective of helping physically, mentally and socially disadvantaged children of Singapore.

The original four member charities are:

Singapore Children's Society
The Singapore Association for the Deaf
Cerebral Palsy Alliance Singapore
Movement for the Intellectually Disabled of Singapore

St. Andrew's Mission Hospital became the fifth member charity to join CCA in 1971.

The sixth member charity to join CCA in 1977 is **Association for Persons with Special Needs**.

Our efforts are not only directed at alleviating the disablement of children but also at giving them hope for the future.

Our member charities are single minded in their efforts to educate, train and assist the children under their care to become independent and useful citizens who can play their role in the nation.

CHAIRMAN'S REPORT

On behalf of the Board of Directors, I present to you the 53rd Annual Report of the Children's Charities Association of Singapore for the financial year 2019/2020.

EVENTS:

CCA Annual Cheque & Awards Presentation, & Annual Fair & Walkathon 2019

The CCA cheque presentation was held together with our Annual Fair and Walkathon. This took place on 9 November at the Ngee Ann City Civic Plaza, and was graced by the Speaker of Parliament, Mr Tan Chuan Jin.

During the event, cheques totalling \$499,758.40 were presented to representatives from our six member charities.

The CCA Fair and Walkathon also saw us collecting a total of \$154,566.36.

The day's events saw an estimated 671 participants at the walk, as well as 67 stalls providing visitors a wide variety of food and handicraft.

Performances by children from our member charities were also well received.

I thank Mr Roderick Tan and his committee for yet another successful CCA Fair. We are also grateful to the volunteers from the Republic of Singapore Navy, Naval Diving Unit for their help with marshalling the Walk, as well as organising the logistics of the Fair.

Hong Bao Appeal

In January 2020, 50,000 Lunar New Year appeal letters were sent to individuals and corporate organisations. From these, \$77,545.16 was raised.

Donation Draw

The Donation Draw was held on 31 March 2020, and was chaired by our Honorary Secretary, Ms Arasi Santhana. 40 prizes were given away. And a gross amount of \$121,702.16 was raised.

Flag Day

As a result of the ongoing pandemic, our Annual Flag Day, scheduled on 11 April 2020, was cancelled. Nevertheless, donations were received from related appeals, which saw us raise \$77,203.17. We thank our Board Member, Mr Chan Chee Keong, for chairing the Flag Day committee.

COLLABORATION - FUNDRAISING EVENTS

I am also very happy to announce that this financial year saw us be part of two very meaningful projects that were initiated by external parties.

Henry Park Primary School

The first is a fund raising project by Henry Park Primary School, whose staff led a walkathon to raise funds for the needy, in an event called "Walk-for-joy". This raised \$102,185.00, which was then channelled to CCA.

Lombardo's Burger Singapore

The second project was a partnership with Lombardo's Burger Singapore, which initiated a project to raise awareness about the challenges that Singaporean children face, especially those who are vulnerable or with special needs. CCA was Lombardo's choice beneficiary, and the project raised \$7,650.

Through the generosity of our donors and volunteers, donations received from the projects, on-going appeals and unsolicited funds for this financial year totalled \$855,589.00

This financial year has been a difficult and challenging one, particularly in 2020.

The global pandemic has exposed a wide variety of social needs that our community is facing. With the challenges that have resulted from the economic crisis, these needs are going to get more intense.

As a member of the social service sector CCA must strive to continue to provide for the needs of our children, through the work of our member charities. These are reported in the following pages. I appeal to members of the wider Singaporean community to support our work.

We also put on record our deep gratitude to all our donors, sponsors, supporters and volunteers for their tremendous contributions.

I wish you all the best of health.

Lim Lee Ching

SINGAPORE CHILDREN'S SOCIETY

ABOUT US

Singapore Children's Society protects and nurtures children and youth of all races and religions. In 2019, the Society reached out to 66,966 children, youth and families in need. Established in 1952, its services have evolved to meet the changing needs of children. Today, Children's Society operates 12 service centres islandwide, offering services in the four categories. They are:

Vulnerable Children and Youth – *Protecting Children and Youth who are Abused and/or Severely Neglected*

We provide fundamental care and guidance for vulnerable children and youth and where suitable, collaborate with families to provide safe, stable and permanent care, and with each child's best interests at heart.

Children and Youth Services – *Supporting, Nurturing and Inspiring our Children and Youth*

We provide value-adding care, nurture and inspire children and youth, to complement what their parents and guardians provide.

Family Services – *Supporting and Strengthening our Families in Need*

We support and strengthen families in need by working together with them.

Research and Advocacy – *A Voice for our Children and their Future*

We perform research and advocacy work to protect and promote the well-being of children, youth and their families, as well as to enhance the usefulness of social services to children and youth.

OUR MISSION: To bring relief and happiness to children in need

OUR VISION: To be a leading edge organisation in promoting the well-being of the child

HIGHLIGHTS OF 2019

To thank the 1,757 companies and individuals who participated in the 1000 Enterprises for Children-in-Need (1000E) and 1000 Philanthropists (1000P) programmes, the Society held an appreciation dinner on 19 March at the Mandarin Orchard Singapore. Then-Deputy Prime Minister Mr Teo Chee Hean, who is also Coordinating Minister for National Security and Patron of the programmes was the Guest-of-Honour. Mr Lim Chwee Kim was appointed as the newest 1000E and 1000P ambassador that evening.

The Society's 29th Project CABIN – Chillbox was launched by then-Senior Parliamentary Secretary for the Ministry of Social and Family Development and Ministry of Education, Assoc Prof Muhammad Faishal Ibrahim, at Meridian Secondary School on 6 April.

A picture book, Jun and the Octopus, was published and launched on 29 May. This book aims to help parents and educators broach the topic of preventing child sexual abuse with children.

A total of 33 donors and volunteers were recognised for their contributions at the Singapore Children's Society Awards at Pan Pacific Singapore on 12 June. President Halimah Yacob was the Guest-of-Honour.

RoundBox @ Children's Society held The Mettle Challenge on 22 June at the Singapore Sports Hub. A total of 634 beneficiaries and members of the public participated in the annual charity fitness event. Guest-of-Honour was then-Minister for Social and Family Development and Second Minister for National Development, Mr Desmond Lee.

Over 3,000 participants joined the Society's annual fundraising event

Walk for Our Children, held on 28 July at Palawan Green, Sentosa. Guest-of-Honour was Speaker of Parliament Mr Tan Chuan-Jin who launched the 3-km walkathon themed 'Happy Factory'.

The Free Market Family Fiesta, organised by Yishun Family Service @ Children's Society, was held on 24 August at the Chong Pang Community Club. Over 250 beneficiaries came with their families to select from items donated by well-wishers.

On 5 October, Student Care @ Children's Society celebrated its 40th anniversary at its Bukit Merah centre, and took its guests, including staff, current students and alumni, on a trip down memory lane.

We were presented the 4th ASEAN Rural Development and Poverty Eradication Leadership Award on 8 October in Nay Pyi Taw, Myanmar. The Award is presented to non-governmental organisations and private sector organisations from each ASEAN Member State for their outstanding contributions to rural or community development, and poverty eradication in their respective countries.

The late Dr John Elliott, a member of Children's Society's Research and Advocacy Standing Committee and advisor to the Research Committee, took to the podium at the Singapore Management University on 12 October. He delivered a lecture titled 'Parenting: Does one size fit all?' before an audience of close to 200.

In appreciation of the Society's volunteers' hard work and dedication, they were treated to a sumptuous buffet brunch followed by a screening of 'Maleficent: Mistress of Evil' at Golden Village VivoCity on 19 October.

Tinkle Friend turned 35 in November. A special edition of BUZZ e-newsletter was published on our Tinkle Friend website, documenting the service's various milestones and achievements. A copy of this e-newsletter and a thank you card were sent to our past and present Tinkle Friend volunteers, as our way of conveying our heartfelt appreciation to them.

Staff members and the Society's Executive Committee members convened at the PARKROYAL on Beach Road on 16 November to discuss and formulate the Society's strategic plans for the next three years. The strategic plans will be circulated and communicated to our Committee and staff members in a Townhall Meeting in 2020.

The Charity Gala Dinner took place on 22 November at the Shangri-La Hotel, Singapore. President Halimah Yacob was the Guest-of-Honour. The theme was 'Opening Minds, Changing Lives'.

On 30 November, we held the 4th Singapore Children's Forum titled 'Why is it sometimes not fair?' at the Singapore Management University, where 194 people participated. The forum was graced by Assoc Prof Muhammad Faishal Ibrahim, then-Senior Parliamentary Secretary for the Ministry of Social and Family Development and Ministry of Education.

In recognition of the Society's transparency and disclosure efforts, we were awarded the Charity Transparency Awards 2019 on 3 December by the Charity Council.

THE SINGAPORE ASSOCIATION FOR THE DEAF

The Singapore Association for the Deaf (SADeaf) has been serving the Deaf and Hard-of-hearing community in Singapore for the past sixty years. Established in 1955, it now serves more than 6,000 Deaf and Hard-of-hearing persons and provides a gamut of services such as sign language interpretation, note-taking, Deaf awareness workshops, employment support, counselling and financial assistance, and recreational activities.

SADeaf Purple Parade

SADeaf is a member of the National Council of Social Service (NCSS), and also supported by Community Chest of Singapore, Ministry of Social and Family Development (MSF) and Ministry of Education (MOE). The association is also affiliated internationally, to the World Federation of the Deaf (WFD) and, locally, to The Children's Charities Association of Singapore (CCA). SADeaf's mission is to assist the Deaf and Hard-of-hearing to achieve a better quality of life and to enable them to integrate and contribute to society.

Community Services: Family Day

Hearing Care

AFFILIATED SCHOOL: Mountbatten Vocational School (MVS) The school is an ITE Approved Training Center which caters to students with special needs from

the ages of 16 to 21. MVS offers a two-year ITE Skills Certificate THE SINGAPORE ASSOCIATION FOR THE DEAF programme in Food and Beverage Service, Food Preparation, and Housekeeping Operations.

Mountbatten Vocational School

Sign Language Interpreting

Deaf Culture and Sign Language

Educational Resource

In addition, SADeaf provides Specialised Teachers and Resource Teachers to the Mayflower Primary School and Beatty Secondary School respectively to support the Deaf and Hard-of-hearing students in the mainstream school. The association has also started a communication and language programme for children with Hearing Loss below seven years old (Little Hands Bilingual-Bicultural Programme).

Deaf Education

MOVEMENT FOR THE INTELLECTUALLY DISABLED OF SINGAPORE

MINDS (Movement for the Intellectually Disabled of Singapore) is one of Singapore's oldest and largest social service organisations, founded in 1962 by a group of philanthropists who believed in developing the potential of persons with intellectual disability. Serving persons with moderate to severe intellectual disability with services across their different life stages, MINDS runs 4 Special Education Schools, 3 Employment Development Centres and 8 Training and Development Centres. MINDS also has a Me Too! Club reaching out to socially isolated persons with intellectual disability, a Caregivers Support Services Centre, a Special Student Care Centre, Home-Based Care Services and a residential home comprising a Home, a Hostel/ Group Home and a Children's Wing.

MINDS Children's Wing – Singapore's First Home for Children with Intellectual Disability

Children's Wing at Mindsville @ Napiri is Singapore's first home set up solely for children with intellectual disability from 6 to 18 years old. The children at Children's Wing are typically from families unable to provide them with adequate care. CCA's funding and support goes to Children's Wing, a home which aims to prepare children with intellectual disability to re-integrate back into their families.

Providing a Better Learning Environment for the Children

Children with special needs require early intervention, so every child is assessed after their admission to allow for an individualised care plan (ICP) to be carefully drawn up and implemented, including some family interventions.

ICP focuses on addressing the child's needs by spelling them out so we can better work with them and guide them on improving their Daily Living and Social Skills, etc.

Even though the ICP is client-focused, family cooperation is needed so that the intervention and training will be continual and consistent when they bring their child back for home leave. The ICPs are reviewed every three months to ensure the interventions are appropriate and

have targeted results that will effectively benefit the children.

Children's Wing provides a variety of activities for the children. The activities provided are aimed at creating a stimulating and meaningful learning environment for them. Activities within the structured programmes include music & movement, art and craft, experimental science, housecraft, home management skills training, show and tell programmes, community and travelling lessons, computer time, circle time, and the Snozelen Room Programme.

The Snozelen Room is a room that utilises multi-sensory equipment in order to enhance the sensory abilities of the children and broaden their learning spectrum. These equipment help to stimulate their senses and create a relaxing environment for the children. The Snozelen Room Programme is targeted at an identified group of children who require the sensory training.

Counselling and behaviour modification services are also offered to improve the children's social abilities and allow them to learn how to better express their emotions.

Family Programmes

Families of children from Children's Wing meet the staff once every six months during the Children's Wing Parents' Gathering. This gathering aims to support families in understanding their children's needs, and in maintaining the bonds between them and their children. It is an avenue for families to receive updates from the staff and share any concerns they might have. New measures are also implemented to improve family ties and parenting capacity.

Through discussion with other families and professional staff, they gain new insights on how they can boost their parenting abilities. The families will then be involved in a series of fun family bonding activities. Families are also encouraged to attend the MINDS' Caregiver Support Initiative programmes and MINDS Siblings Team activities as a platform to meet and mutually support one another.

MINDS will be turning 60 in 2022. We are excited about arriving at that key milestone and are charting the key developments under a strategic MINDS60 roadmap that will better prepare MINDS to be future-ready for our clients and our caregivers going into 2022 and beyond.

As part of our efforts to be future-ready, we have also reorganised our service delivery model to bring about greater operational efficiencies. MINDS Residential-Based services, including Children's Wing, have been clustered together with our other centre-based services for better service standards across all MINDS homes and centres. MINDS Community-Based services, including, Special Student Care Centre, have also come together under the new Community-Based Support Services, which will be a nimble support deliverable arm that will be more responsive to the needs of clients and caregivers' in the community

CEREBRAL PALSY ALLIANCE SINGAPORE (CPAS)

Cerebral Palsy Alliance Singapore (CPAS) is a social service agency established in 1957. CPAS provides persons with cerebral palsy and multiple disabilities with early intervention, special education, rehabilitation services, day activity centre programmes as well as vocational training and gainful employment in Singapore.

Through active advocacy and the support of equal opportunities for all persons with cerebral palsy and multiple disabilities, CPAS hopes to empower these individuals by helping them realise their full potential and lead fulfilled, dignified lives. Driven by our core values of hope, empowerment, aspiration, respect and trust, the organisation is focused on delivering fully integrated programmes and services at the highest standards. At present, we serve over 700 clients ranging in age from a few months to 55 years old.

CPAS is a registered charity with Institution of Public Character (IPC) status and is a member of the National Council of Social Service.

Early Intervention Programme for Infants and Children (EIPIIC)

For children up to 6 years old

EIPIIC provides early intervention for children with identified needs between the ages of a few months to six years old. A Trans-Disciplinary Approach is integrated into the curriculum. A multi-disciplinary team collaborates with caregivers to provide holistic education and support to help each child maximise his or her developmental growth.

CPAS School (CPASS)

For children between 7 and 18 years old

CPAS School is a double-session Special Education (SPED) school serving students with moderate to severe multiple disabilities. We offer the SPED Curriculum as recommended by the Ministry of Education. Through our mission of equipping our students with a holistic education to live meaningfully, learn continuously and work productively, they learn and develop in six domains. For selected students with good motor and functional skills, their curriculum includes pre-vocational training.

Adult Services

For adults 18 years old and above

CPAS operates a Goodwill, Rehabilitation, and Occupational Workshop (GROW), Day Activity Centre (DAC), and CPAS Connect Alumni Programme.

Allied Health

Our **Allied Health Professionals (AHPs)** extend a comprehensive range of specialised healthcare and support to our clients.

Occupational Therapy
Physiotherapy
Psychology
Social Work
Speech Therapy
Assistive Technology Hub

Specialist Clinics

Audiology Clinic
Feeding and Swallowing Clinic
Seating Clinic
Hand Clinic
Sensory Integration Clinic
Neuro Developmental Clinic

Medical Clinics

Orthopaedic Clinic
Paediatric Neurology Clinic
Medical and Dental Clinics

Home Management & Outpatient Programme

The **Home Management Programme (HMP)** provides therapy and social intervention at the homes of clients with cerebral palsy who are severely disabled, and in need of therapy but are unable to travel. Therapies provided include physiotherapy, occupational therapy, as well as speech and language pathology. The therapists will travel to the homes of the clients for therapy sessions.

The **Outpatient Programme (OP)** provides therapy and social interventions in CPAS for clients with cerebral palsy and other physical disabilities. Therapies provided include physiotherapy, occupational therapy, as well as speech and language pathology. It caters mainly to those who can travel to our centre, or arrange for their own transport via their caregivers

ST. ANDREW'S MISSION HOSPITAL

St. Andrew's Mission Hospital (SAMH)

In 2019, St. Andrew's Mission Hospital (SAMH) continued to meet the needs of underserved and disadvantaged children through St. Andrew's Autism Centre and St. Andrew's Community Hospital.

St. Andrew's Autism Centre (SAAC)

In 2019, SAAC had its most significant year since it was first set up in 2005. From operating a special school for children and youths on the autism spectrum, and a Day Activity Centre (DAC) for those aged 19 or older with moderate to severe autism, SAAC launched another DAC and a residential facility designed and purpose-built for adults with autism in April that year.

With these new services in place, SAAC's capacity to serve persons with autism grew from 402 (312 at the school and 90 at one DAC) to 583 (312 at the school, 123 at two DACs, 148 at the home). Staff strength grew from 219 to 274 from the end of 2018 to end 2019.

The total number of persons on the autism spectrum served by SAAC increased by 16.9%, from 337 students and clients at the end of 2018 to 394 students, clients, residents and respite care cases by the end of December 2019.

Update on St. Andrew's Autism School (SAAS)

From 21-23 August 2019, SAAS was the first special education (SPED) school in Singapore to undergo the Quality Assurance review using a new QA Framework 2.0 for SPED schools. In addition to meeting with the Principal, other key school staff and selected teachers, the review team from the Ministry of Education also interviewed 16 parents. As a result, SAAS reviewed its vision, mission, strategic thrusts, strategic objectives and its key performance indicators.

Key SAAS Highlight

- On 24 September 2019, President Halimah Yacob

visited the school as part of the Istana's community engagement efforts. During the two-hour visit, the President interacted with students and teachers, observed the Colours Café vocational programme for senior students and the use of Augmentative and Alternative Communication tools as well as a class of students engaged in learning pre-vocational skills via beading. She addressed the press, urging employers to improve work environment and processes to make room for persons with special needs to work, building a more inclusive Singapore.

President Halimah Yacob visited SAAS on 24 September 2019 and showed a keen interest in understanding how students with autism use Augmentative and Alternative Communication tools.

St. Andrew's Community Hospital (SACH)

SACH's Paediatric Inpatient Rehabilitation Service is in its thirteenth year of providing post-acute, rehabilitative and long-term care to children, including those with special needs. The hospital's person-centred paediatric care programme provides customised physiotherapy, occupational therapy, speech and music therapy to these children. Non-school going patients are also engaged in individualised patient-specific multi-sensory activities to enhance their cognitive development with the help of a part-time Special Education (SPED) tutor.

In 2019, SACH worked with Singapore Christian Home to discharge several of our stable long-term paediatric patients into their care. This has increased our capacity to receive more paediatric patients from acute hospitals who require post-acute, rehabilitative and chronic sick care.

The SACH Paediatric Care Team and volunteers also organised group outings for the paediatric patients, which included visits to a community carnival, Jurong Bird Park, Tampines Mall and Changi Airport. These experiences, which were outside the hospital setting, provided them opportunities to learn about road safety rules, acceptable social behaviour on public transport and simple dining etiquette at public food courts.

Throughout the year, our paediatric patients were engaged in monthly programmes such as sing-a-long sessions hosted regular volunteers who provided musical accompaniment. These programmes lifted the spirits of the patients and were enjoyed immensely by them.

SACH Paediatric Care team and volunteers with our paediatric patients during a community outing to Jurong Bird Park. Such outings provide the opportunity for the children to socialize and bond with the volunteers.

ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS

Established in 1976, Association for Persons with Special Needs (APSN) is a social service agency providing special education for persons with mild intellectual disability (MID). APSN operates four Special Education (SPED) Schools for students aged 7 to 21, an APSN Student Care Centre (SCC) and an APSN Centre for Adults (CFA) for persons aged 16 and older, benefiting over 1,200 beneficiaries each year. To date, APSN's growing alumni database has more than 5,000 beneficiaries.

APSN Chaoyang School specialises in providing quality primary school education for SPED pupils. APSN Katong School is the only APSN School that offers a complete suite of primary and secondary education. APSN Tanglin School, a secondary school, harnesses infocomm technology to enhance positive outcomes for students. APSN Delta Senior School (DSS) is a post-secondary vocational special education school that prepares students for adulthood and employment. APSN SCC provides a before-and-after-school-care service that is available to all special education school-going students aged 7-18.

APSN SPED Schools aim to provide a strong foundation for our students to live independent lives and eventually have a sustainable employment as they move from one level to another.

The curriculum offered at each school enables the students to be prepared for the next challenges facing them. Indeed, the challenges are many, but APSN believes that together with the support of the greater community, we will be able to help our students cross each bridge. This is only possible with your unwavering support and generous donations.

For more information on APSN, please visit www.apsn.org.sg

APSN Centre for Adults

Students graduating from our SPED schools who need further vocational training or any persons with MID aged 16 and above can enrol into APSN CFA's full-time vocational programme. Trainees will experience a four-phase vocational training programme, and are assessed on milestones – not a period-based curriculum.

A large part of APSN CFA's operational costs are funded by public donations.

In Financial Year 2019/20, our trainees continued to be supported through each phase of their progress so that they could eventually move on to be placed in open employment.

Phase 1 Training: Trainees were given basic vocational skills training to prepare them for Phase 2 Enterprise. They were rotated around the Retail, Bakery, Kitchen, F&B Services and Horticulture

tracks as a taster so they could better identify the right track for Phase 2. The curriculum is enhanced by workplace social skills, life skills, cleaning lessons and physical education.

Phase 2 Enterprise: Trainees apply vocational skills learnt in the training phase in a safe and realistic work environment with real work demands and requirements. These are the current enterprises available: Bakery, Café, Catering, Building Maintenance and Contract Work.

Phase 3 Supported Employment: Trainees who passed their milestones in the Sheltered Enterprise are placed out for employment. APSN Job Coaches continue to provide assistance – including job support, employer training and counselling – for at least another 12 months.

Achievements:

Some 37 trainees were given job training in real workplaces and jointly supported by the Job Coaches and their work supervisor.

Phase 4 Open Employment: At this stage, trainees will be placed on open employment. Even when the 12 months of job support in Phase 3 is completed, the Centre will continue assisting our alumni through counselling and other professional services to help them and their families cope with future challenges faced.

Achievements:

25 trainees gained employment during this Financial Year.

BOARD ATTENDANCE

CONFLICT OF INTEREST

Whenever a Director of the Board is in any way directly or indirectly, has an interest in a transaction or project or other matter to be discussed at a meeting, the member shall disclose the nature of his interest before the discussion on the matter begins.

The Director concerned should not participate in the discussion or vote on the matter, and should also offer to withdraw from the meeting and the Board shall decide if this should be accepted.

(Extracted from Constitution & Rules)

RESERVES POLICY

It is the Association's policy not to retain the current net incoming resources ('surplus funds') for more than twelve months. It has always been the Association's practice to distribute the surplus funds to all its members immediately following the approval of its audited financial statements at the Association Annual General Meeting.

(Extracted from Audited Accounts ending April 2020)

SUMMARY OF FINANCIAL STATEMENTS YEAR ENDED 30 APRIL 2020

The background features several abstract, overlapping shapes in shades of orange and yellow, creating a modern, geometric design. The shapes are primarily triangular and trapezoidal, pointing in various directions, with some appearing as if they are layered on top of others. The overall effect is clean and professional.
